## Diabetes group distances itself from circus

*GRAND FALLS-WINDSOR, NFLD.* - The provincial diabetes association says it is not endorsing the George Carden International Circus.

Carden's posters say the circus is "presented by the Newfoundland and Labrador division of the Canadian Diabetes Association." The Association says it was only asked if it wanted some of the proceeds from ticket sales.

The diabetes association says it will ask to have its name removed from the posters, and it won't accept the money if the circus is shown to be cruel to animals.

The Grand Falls-Windsor SPCA is planning to protest when the circus is there next week.
